

OHR Policy Guideline

Mission subsistence allowance (MSA) rates 1 January 2026 – 31 December 2026

OHR/PG/2025/9 – 31 December 2025

1. This Policy Guideline is issued to inform stakeholders of the mission subsistence allowance (MSA) rates applicable from 1 January 2026 until 31 December 2026, in accordance with [ST/AI/2021/2/Rev.1](#).
2. It is recalled that mission subsistence allowance is a daily allowance payable by the United Nations to cover long-term living costs for accommodation, meals and miscellaneous expenses incurred within a mission by eligible non-staff personnel during their tour of duty in a field mission, including a peacekeeping operation, special political mission or other field mission.
3. In accordance with past practice, in case the MSA rate applicable in a country/location in 2026 is lower than the rate applicable in 2025, the higher rate will be applied to those already in receipt of the higher amount on 31 December 2025 as well as to future recipients who were selected/nominated before 1 January 2026, but only deployed on or after 1 January 2026.
4. In line with Section 3.6 of ST/AI/2021/2/Rev.1, an ad hoc review of the MSA rates may be authorized by ASG OHR where the standard daily subsistence allowances rate increases by more than 50 per cent during the validity period.
