Mission Subsistence Allowances (MSA) rates 1 January 2024 – 31 December 2024

OHR/PG/2023/8 – 22 December 2023

1. This Policy Guideline is issued to inform stakeholders of the Mission Subsistence Allowance (MSA) rates applicable from 1 January 2024 until 31 December 2024, in accordance with [ST/AI/2021/2](#).
2. It is recalled that MSA is a daily allowance payable by the United Nations to cover long-term living costs for accommodation, meals and miscellaneous expenses incurred within a mission by eligible non-staff personnel during their tour of duty in a field mission, including a peacekeeping operation, special political mission or other field mission.
3. In accordance with past practice, in case one of the MSA rates applicable in 2024 is lower than the rate applicable in 2023, the higher rate will be applied to those already in receipt of the higher amount on 31 December 2023 as well as to future recipients who were selected/rostered/nominated before 1 January 2024, but deployed on or after 1 January 2024.
